| Alternativnummer         | EXB-11-500-C100                                                                                                                                                                                                                                               |
| Hersteller               | EXBIO                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | FC, ICC, IHC-P, IP, WB                                                                                                                                                                                                                                        |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | SU-DHL-4 lymphoma cells                                                                                                                                                                                                                                       |
| Produktbeschreibung      | CD74 (the MHC II-associated invariant chain, Ii) is a type II transmembrane protein expressed in antigen-presenting cells, that serves as MHC II chaperone which promotes MHC II trafficking from the ER to endocytic compartments, prevents peptide bindi... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                                                       |
| Klon-Bezeichnung         | [LN2]                                                                                                                                                                                                                                                         |
| Isotyp                   | Mouse IgG1                                                                                                                                                                                                                                                    |
| Puffer                   | Phosphate buffered saline (PBS), pH 7.4, 15 mM sodium azide                                                                                                                                                                                                   |
| Target-Kategorie         | CD74                                                                                                                                                                                                                                                          |

|                        |                                                  |
|------------------------|--------------------------------------------------|
| Antibody Type          | Monoclonal Antibody                              |
| Application Verdünnung | Flow cytometry: Recommended dilution: 2-5 µg/ml. |
| Anwendungsbeschreibung | Flow cytometry: Recommended dilution: 2-5 µg/ml. |
