## Product Datasheet

### Mammaglobin, polycl., Rabbit NMB-MAM003-0.5

Artikelname	Mammaglobin, polycl., Rabbit
Artikelnummer	NMB-MAM003-0.5
Hersteller Artikelnummer	MAM003-0.5
Alternativnummer	NMB-MAM003-0.5
Hersteller	NordicMubio
Wirt	Rabbit
Kategorie	Antikörper
Applikation	ELISA, IHC, WB
Spezies Reaktivität	Human, Other
Immunogen	C-terminal 16 aa peptide sequence of human mammaglobin coupled to KLH as a carrier protein
Produktbeschreibung	Detection of mammaglobin in metastatic mamma carcinoma, differential diagnosis of metastases in sentinel lymph nodes Mammaglobin A is a breast gland associated glycoprotein, distantly related to the secretoglobulin family including human Uteroglobulin an...
Konzentration	50 µg/ml
UniProt	<a href="#">Q13296</a>
Puffer	Affinity purified antibody in stabilized phosphate buffer, containing 0.09 % sodium azide**. The volume is sufficient for app. 250 immunohistochemical tests (100 µl working solution per test). For dilution we recommend our antibody diluent Art. No. PU002.

Reinheit	Affinity purified antibody in stabilized phosphate buffer, containing 0.09 % sodium azide**. The volume is sufficient for app. 250 immunohistochemical tests (100 µl working solution per test). For dilution we recommend our antibody diluent Art. No. PU002
Anwendungsbeschreibung	IHC, ELISA , WB
