## Product Datasheet

### **Goat anti-Human IgG Fc - Affinity Pure, DyLight650 Conjugate, min x w/bovine, horse, mouse, rabbit serum proteins, DyLight 650 IMU-GTXHU-004-E650NHSX**

|                                  |                                                                                                                                |
|----------------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Artikelname                      | Goat anti-Human IgG Fc - Affinity Pure, DyLight650 Conjugate, min x w/bovine, horse, mouse, rabbit serum proteins, DyLight 650 |
| Artikelnummer                    | IMU-GTXHU-004-E650NHSX                                                                                                         |
| Hersteller Artikelnummer         | GtxHu-004-E650NHSX                                                                                                             |
| Alternativnummer                 | IMU-GTXHU-004-E650NHSX                                                                                                         |
| Hersteller                       | ImmunoReagents                                                                                                                 |
| Wirt                             | Goat                                                                                                                           |
| Kategorie                        | Antikörper                                                                                                                     |
| Spezies Reaktivität              | Human                                                                                                                          |
| Immunogen                        | Purified Human IgG, Fc fragment                                                                                                |
| Konjugation                      | DyLight 650                                                                                                                    |
| Format                           | IgG                                                                                                                            |
| Spezifität                       | IgG (Fc)                                                                                                                       |
| Minimale Kreuzreaktivität (MinX) | Bovine,Equine,Mouse,Rabbit                                                                                                     |
| Konzentration                    | 1.0 mg/ml (E 1% at 280 nm = 13.0)                                                                                              |
| NCBI                             | <a href="#">75015</a>                                                                                                          |
| UniProt                          | <a href="#">O75015</a>                                                                                                         |

|               |                                                                                          |
|---------------|------------------------------------------------------------------------------------------|
| Puffer        | 10 mM Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2, 1 % (w/v) BSA, Protease/IgG free |
| Reinheit      | Affinity purified antibody is > 95% based on SDS-PAGE                                    |
| Formulierung  | Lyophilized                                                                              |
| Antibody Type | Secondary Antibody                                                                       |
