## Product Datasheet

### CD44 Monoclonal Antibody [156-3C11] - Fluorescein (FITC) / 50ul, IgG2a, Mouse IMQ-IQ479FITC

|                          |                                                                               |
|--------------------------|-------------------------------------------------------------------------------|
| Artikelname              | CD44 Monoclonal Antibody [156-3C11] - Fluorescein (FITC) / 50ul, IgG2a, Mouse |
| Artikelnummer            | IMQ-IQ479FITC                                                                 |
| Hersteller Artikelnummer | IQ479FITC                                                                     |
| Alternativnummer         | IMQ-IQ479FITC-50                                                              |
| Hersteller               | ImmuQuest                                                                     |
| Wirt                     | Mouse                                                                         |
| Kategorie                | Antikörper                                                                    |
| Applikation              | FC, ICC, IHC-P                                                                |
| Spezies Reaktivität      | Human, Primate                                                                |
| Immunogen                | Stimulated human leukocytes                                                   |
| Produktbeschreibung      | Mouse Anti-CD44 [156-3C11]: Fluorescein (FITC)...                             |
| Klonalität               | Monoclonal                                                                    |
| Konzentration            | 1mg/ml                                                                        |
| Klon-Bezeichnung         | [156-3C11]                                                                    |
| Isotyp                   | IgG2a                                                                         |
| NCBI                     | <a href="#">101008690</a>                                                     |

|                        |                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Pubmed                 | <a href="https://pubmed.ncbi.nlm.nih.gov/30925179" rel="nofollow" target="_blank">30925179</a>                                                             |
| UniProt                | p16070                                                                                                                                                     |
| Puffer                 | Purified IgG conjugated to Fluorescein using Innova Biosciences Lightning-LinkA, supplied in Phosphate buffered saline (PBS) containing 0.09% sodium azide |
| Reinheit               | Protein A                                                                                                                                                  |
| Formulierung           | Purified IgG conjugated to Fluorescein using Innova Biosciences Lightning-Link, supplied in Phosphate buffered saline (PBS) containing 0.09% sodium azide  |
| Target-Kategorie       | CD44                                                                                                                                                       |
| Antibody Type          | Monoclonal Antibody                                                                                                                                        |
| Application Verdünnung | Optimal antibody dilution should be determined by titration, however as a guideline try at: Flow Cyt 1:10, ICC/IF 1:100                                    |
