## Product Datasheet

### CD74 Monoclonal Antibody [Bu45] - 50ul, IgG1, Mouse IMQ-IQ676M

|                          |                                                     |
|--------------------------|-----------------------------------------------------|
| Artikelname              | CD74 Monoclonal Antibody [Bu45] - 50ul, IgG1, Mouse |
| Artikelnummer            | IMQ-IQ676M                                          |
| Hersteller Artikelnummer | IQ676M                                              |
| Alternativnummer         | IMQ-IQ676M-0.05                                     |
| Hersteller               | ImmuQuest                                           |
| Wirt                     | Mouse                                               |
| Kategorie                | Antikörper                                          |
| Applikation              | FC, ICC                                             |
| Spezies Reaktivität      | Human                                               |
| Immunogen                | B lymphoblastoid cell line HFB1                     |
| Produktbeschreibung      | CD74 Monoclonal Antibody [Bu45]...                  |
| Klonalität               | Monoclonal                                          |
| Konzentration            | 1mg/ml                                              |
| Klon-Bezeichnung         | [Bu45]                                              |
| Isotyp                   | IgG1                                                |
| NCBI                     | <a href="#">972</a>                                 |
| UniProt                  | <a href="#">P04233</a>                              |

|                        |                                                                                                                                       |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Purified antibody (from supernatant) containing PBS + 0.1% sodium azide                                                               |
| Reinheit               | Protein A purified                                                                                                                    |
| Formulierung           | Purified antibody (from supernatant) containing PBS + 0.1% sodium azide                                                               |
| Target-Kategorie       | CD74                                                                                                                                  |
| Antibody Type          | Monoclonal Antibody                                                                                                                   |
| Application Verdünnung | Optimal antibody dilution should be determined by titration, however as a guideline use at ICC/IF 1:50 - 1:100, Flow Cyt 1:50 - 1:100 |
