## Product Datasheet

### Mucin-1 Monoclonal Antibody [VU12E1] - 50ul / BSA/Azide Free, IgG1, Mouse IMQ-IQ686AF

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | Mucin-1 Monoclonal Antibody [VU12E1] - 50ul / BSA/Azide Free, IgG1, Mouse            |
| Artikelnummer            | IMQ-IQ686AF                                                                          |
| Hersteller Artikelnummer | IQ686AF                                                                              |
| Alternativnummer         | IMQ-IQ686AF-0.05                                                                     |
| Hersteller               | ImmuQuest                                                                            |
| Wirt                     | Mouse                                                                                |
| Kategorie                | Antikörper                                                                           |
| Applikation              | FC, IF, WB                                                                           |
| Spezies Reaktivität      | Human                                                                                |
| Immunogen                | ZR-75-1 breast cancer cells                                                          |
| Produktbeschreibung      | Mouse Anti-MUC1 Monoclonal Antibody- BSA/Azide Free...                               |
| Klonalität               | Monoclonal                                                                           |
| Konzentration            | 1mg/ml                                                                               |
| Klon-Bezeichnung         | [VU12E1]                                                                             |
| Isotyp                   | IgG1                                                                                 |
| Pubmed                   | <a href=https://pubmed.ncbi.nlm.nih.gov/33883940 target=_blank rel=nofollow>33883940 |

|                        |                                                                                                                                      |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">P15941</a>                                                                                                               |
| Puffer                 | Purified antibody in PBS. Does not contain sodium azide or BSA                                                                       |
| Reinheit               | Protein A                                                                                                                            |
| Formulierung           | Purified antibody in PBS. Does not contain sodium azide or BSA                                                                       |
| Target-Kategorie       | MUC-1                                                                                                                                |
| Antibody Type          | Monoclonal Antibody                                                                                                                  |
| Application Verdünnung | Optimal antibody dilution should be determined by titration, however as a guideline use at WB 0.3µg/ml, ICC/IF 1:100, Flow Cyt 1:100 |
