| Alternativnummer         | ENZ-ALX-581-014-L002-2                                                                                                                                                                                                       |
| Hersteller               | Enzo Life Sciences                                                                                                                                                                                                           |
| Kategorie                | Sonstiges                                                                                                                                                                                                                    |
| Quelle                   | Rough (R)-form LPS isolated and purified from E. coli J5 (Rc mutant) by a modification of the PCP extraction method, converted to the uniform sodium salt form and dissolved in sterile pyrogen-free double distilled water. |
| Reinheit                 | Absence of detectable protein or DNA contaminants with agonistic TLR activity.                                                                                                                                               |
| Formulierung             | Liquid. Sterile, ready-to-use solution in pyrogen-free double distilled water.                                                                                                                                               |
| Target-Kategorie         | TLR4                                                                                                                                                                                                                         |
