## Product Datasheet

**Anti-TNF alpha [D2E7 (Adalimumab)], Human Fab fragment, His-Tagged,  
kappa, Clone: [D2E7 Adalimumab], Monoclonal  
ABA-AB00718-10.29**

|                          |                                                                                                                                                                                                                                                          |

| Kategorie                | Antikörper                                                                                                                                                                                                                                               |
| Applikation              | Blocking, ELISA, IF, IHC                                                                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                             |
| Produktbeschreibung      | This antibody was generated by affinity maturation from the 2SD4 scFv, which in turn was selected on human TNF alpha by guided phage-display technology, using the murine anti-hTNF alpha antibody Mab32 as a template (c.f. also US Patent 6090382).... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                               |
| Klon-Bezeichnung         | [D2E7 Adalimumab]                                                                                                                                                                                                                                        |
