## Product Datasheet

**CD8A (Cytotoxic / Suppressor T-Cell Marker) Antibody - With BSA and Azide, Clone: [C8/1035], Mouse, Monoclonal  
ABT-AH12637-U0100**

|                          |                                                                                                                                                                                                                                                               |
