## Product Datasheet

### PSMA1 Antibody, Unconjugated, Rabbit, Polyclonal AFB-DF6984

|                          |                                                                                                                              |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | PSMA1 Antibody, Unconjugated, Rabbit, Polyclonal                                                                             |
| Artikelnummer            | AFB-DF6984                                                                                                                   |
| Hersteller Artikelnummer | DF6984                                                                                                                       |
| Alternativnummer         | AFB-DF6984-100,AFB-DF6984-200                                                                                                |
| Hersteller               | Affinity Biosciences                                                                                                         |
| Wirt                     | Rabbit                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                   |
| Applikation              | IHC, WB                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                            |
| Immunogen                | A synthesized peptide derived from human PSMA1, corresponding to a region within C-terminal amino acids.                     |
| Konjugation              | Unconjugated                                                                                                                 |
| Klonalität               | Polyclonal                                                                                                                   |
| Reinheit                 | The antiserum was purified by peptide affinity chromatography using SulfoLink(TM) Coupling Resin (Thermo Fisher Scientific). |
| Formulierung             | Rabbit IgG in phosphate buffered saline , pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                           |
| Antibody Type            | Primary Antibody                                                                                                             |
| Application Verdünnung   | WB 1:500-1:2000, IHC 1:50-1:200                                                                                              |
