### Alkaline Phosphatase Antibody, Sheep, Polyclonal ROC-100-6135

|                          |                                                         |
|--------------------------|---------------------------------------------------------|
| Artikelname              | Alkaline Phosphatase Antibody, Sheep, Polyclonal        |
| Artikelnummer            | ROC-100-6135                                            |
| Hersteller Artikelnummer | 100-6135                                                |
| Alternativnummer         | ROC-100-6135                                            |
| Hersteller               | Rockland Immunochemicals                                |
| Wirt                     | Sheep                                                   |
| Kategorie                | Antikörper                                              |
| Spezies Reaktivität      | Bovine                                                  |
| Immunogen                | Alkaline Phosphatase [Calf intestine]                   |
| Konjugation              | Unconjugated                                            |
| Klonalität               | Polyclonal                                              |
| Konzentration            | 33.0 mg/mL by Refractometry                             |
| NCBI                     | <a href="#">280993</a>                                  |
| UniProt                  | <a href="#">P19111</a>                                  |
| Puffer                   | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |
| Formulierung             | Lyophilized                                             |
| Target-Kategorie         | Bovine                                                  |
| Antibody Type            | Primary Antibody                                        |

|                        |                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISA: 1:4,000 - 1:20,000, WB: 1:500 - 1:2,000                                                                                                                                                                                                               |
| Anwendungsbeschreibung | Anti-Alkaline Phosphatase has been assayed against 1.0 ug of Alkaline Phosphatase [Calf intestine] in a standard ELISA using Peroxidase conjugated Affinity Purified anti-Rabbit IgG [H&L] (Goat) code 611-1302 and (ABTS (2,2-azino-bis-[3-ethylbenthiazoli |
