## Product Datasheet

### **Blue MW Ladder Antibody Peroxidase Conjugated, IgG1, HRP, Mouse, Monoclonal ROC-200-303-V07**

Artikelname	Blue MW Ladder Antibody Peroxidase Conjugated, IgG1, HRP, Mouse, Monoclonal
Artikelnummer	ROC-200-303-V07
Hersteller Artikelnummer	200-303-V07
Alternativnummer	ROC-200-303-V07
Hersteller	Rockland Immunochemicals
Wirt	Mouse
Kategorie	Antikörper
Applikation	WB
Immunogen	Anti-Blue Molecular Weight Ladder Antibody was produced in mice by repeated immunizations with the blue color used in many prestained MW markers.
Konjugation	HRP
Klonalität	Monoclonal
Konzentration	neat by UV absorbance at 280 nm
Isotyp	IgG1
Puffer	0.01 M Sodium Phosphate, 0.25 M Sodium Chloride, pH 7.2
Formulierung	Liquid (sterile filtered)

Antibody Type	Primary Antibody
Application Verdünnung	WB: 1:1,000 - 1:3,000
Anwendungsbeschreibung	Anti-Blue Ladder MW Antibody Peroxidase Conjugated is tested by SDS and western blot. Anti-Blue Ladder MW HRP Antibody is designed for Western Blots specifically, and will detect the Molecular Weight Ladder. Specific conditions for reactivity should be o
