### Neurologin 4 Antibody Phycoerythrin, IgG1, Clone: [S98-7], RPE, Mouse, Monoclonal ROC-200-308-W81

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Neurologin 4 Antibody Phycoerythrin, IgG1, Clone: [S98-7], RPE, Mouse, Monoclonal                                                                    |
| Artikelnummer            | ROC-200-308-W81                                                                                                                                      |
| Hersteller Artikelnummer | 200-308-W81                                                                                                                                          |
| Alternativnummer         | ROC-200-308-W81                                                                                                                                      |
| Hersteller               | Rockland Immunochemicals                                                                                                                             |
| Wirt                     | Mouse                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | IHC, WB                                                                                                                                              |
| Spezies Reaktivität      | Mouse, Rat                                                                                                                                           |
| Immunogen                | Anti-Neurologin 4 Antibody was produced by repeated immunization of mice with a fusion protein containing amino acids 782-945 of mouse Neurologin 4. |
| Konjugation              | RPE                                                                                                                                                  |
| Klonalität               | Monoclonal                                                                                                                                           |
| Konzentration            | 1mg/mL by UV absorbance at 280 nm                                                                                                                    |
| Klon-Bezeichnung         | [S98-7]                                                                                                                                              |
| Isotyp                   | IgG1                                                                                                                                                 |

|                        |                                                                                                                                                                                                                                                               |

| UniProt                | <a href="#">B0F2B4</a>                                                                                                                                                                                                                                        |
| Puffer                 | 0.02 M Potassium Phosphate, 0.15 M Sodium Chloride, pH 7.2                                                                                                                                                                                                    |
| Formulierung           | Liquid (sterile filtered)                                                                                                                                                                                                                                     |
| Target-Kategorie       | Mouse                                                                                                                                                                                                                                                         |
| Antibody Type          | Primary Antibody                                                                                                                                                                                                                                              |
| Application Verdünnung | ELISA: 1:10,000, IHC: 1:100, IF Microscopy: User Optimized, WB: 1:1000                                                                                                                                                                                        |
| Anwendungsbeschreibung | Anti-Neuroigin 4 R-PE Conjugated Antibody is tested for Western Blots, Immunofluorescence (Primary) and Immunocytochemistry. Expect a band approximately ~125-130kDa on specific lysates or tissues. Specific conditions for reactivity should be optimized b |
