## Product Datasheet

### **Rabbit F(ab)2 anti-Chicken IgG (F(ab)2)-FITC, MinX none ROC-303-4204**

|                                  |                                                         |
|----------------------------------|---------------------------------------------------------|
| Artikelname                      | Rabbit F(ab)2 anti-Chicken IgG (F(ab)2)-FITC, MinX none |
| Artikelnummer                    | ROC-303-4204                                            |
| Hersteller Artikelnummer         | 303-4204                                                |
| Alternativnummer                 | ROC-303-4204                                            |
| Hersteller                       | Rockland Immunochemicals                                |
| Wirt                             | Rabbit                                                  |
| Kategorie                        | Antikörper                                              |
| Applikation                      | FLISA,FACS,IF                                           |
| Spezies Reaktivität              | Gallus                                                  |
| Immunogen                        | Chicken IgG F(ab)2 fragment                             |
| Konjugation                      | FITC                                                    |
| Format                           | F(ab')2                                                 |
| Spezifität                       | IgG (F(ab')2)                                           |
| Minimale Kreuzreaktivität (MinX) | no cross-adsorbtion                                     |
| Klonalität                       | Polyclonal                                              |
| Konzentration                    | 10.0 mg/mL by UV absorbance at 280 nm                   |
| Puffer                           | 0.01 M Sodium Phosphate, 0.15 M Sodium Chloride, pH 7.2 |

|                        |                                                                                                                                                                                                                                                                |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Lyophilized                                                                                                                                                                                                                                                    |
| Target-Kategorie       | Chicken                                                                                                                                                                                                                                                        |
| Antibody Type          | Secondary Antibody                                                                                                                                                                                                                                             |
| Application Verdünnung | FLISA: 1:10,000 - 1:50,000, Flow Cytometry: 1:500 - 1:2,500, IF Microscopy: 1:1,000 - 1:5,000                                                                                                                                                                  |
| Anwendungsbeschreibung | F(ab)2 Anti-Chicken IgG F(ab)2 Fluorescein Antibody is designed for immunofluorescence microscopy, fluorescence based plate assays (FLISA) and fluorescent western blotting. This product is also suitable for multiplex analysis, including multicolor imagin |
