| Alternativnummer         | ROC-600-401-P64                                                                                                                                                                                     |
| Hersteller               | Rockland Immunochemicals                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                                          |
| Applikation              | WB                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                   |
| Immunogen                | NMDAR2B affinity purified antibody was prepared from whole rabbit serum produced by repeated immunizations with a synthetic peptide corresponding to a sequence at the C-terminal of human NMDAR2B. |
| Konjugation              | Unconjugated                                                                                                                                                                                        |
| Klonalität               | Polyclonal                                                                                                                                                                                          |
| Konzentration            | 0.5 mg/mL by UV absorbance at 280 nm                                                                                                                                                                |
| NCBI                     | <a href="#">2904</a>                                                                                                                                                                                |
| UniProt                  | <a href="#">Q13224</a>                                                                                                                                                                              |
| Puffer                   | 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg Na <sub>3</sub>                                                                                                                         |
| Formulierung             | Lyophilized                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                                      |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Human                                                                                                                                                                                                                |
| Antibody Type          | Primary Antibody                                                                                                                                                                                                     |
| Application Verdünnung | WB: 0.5µg/mL                                                                                                                                                                                                         |
| Anwendungsbeschreibung | Anti-NMDAR2B is tested for Western Blotting. Specific conditions for reactivity should be optimized by the end user. Expect a band approximately ~166.4 kDa corresponding to the appropriate cell lysate or extract. |
