| Hersteller               | Rockland Immunochemicals                                                                                                                                                                                                                                       |
| Kategorie                | Zellen/Zellkultur                                                                                                                                                                                                                                              |
| Applikation              | SDS-PAGE                                                                                                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                   |
| Konzentration            | 4.0 mg/ml by BCA assay                                                                                                                                                                                                                                         |
| Puffer                   | 1X RIPA Buffer with HALT Protease and Phosphatase Inhibitors                                                                                                                                                                                                   |
| Quelle                   | Human                                                                                                                                                                                                                                                          |
| Formulierung             | Liquid (sterile filtered)                                                                                                                                                                                                                                      |
| Application Verdünnung   | ChIP: User Optimized, IP: User Optimized, WB: User Optimized                                                                                                                                                                                                   |
| Anwendungsbeschreibung   | W09-001-GL1 has been tested by SDS-PAGE. Multi-purpose U-937 Whole Cell Lysate are especially prepared as positive control for multiple assays including western blot, immunoprecipitation (IP), capture ELISA or other assays requiring native protein sample |
