## Product Datasheet

### **Polyclonal Rabbit anti-Human SP3 Antibody (aa1-74, IHC, IF, WB) LS-C311912** **LS-C311912-100**

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Polyclonal Rabbit anti-Human SP3 Antibody (aa1-74, IHC, IF, WB) LS-C311912                                                         |
| Artikelnummer            | LS-C311912-100                                                                                                                     |
| Hersteller Artikelnummer | LS-C311912-100                                                                                                                     |
| Alternativnummer         | LS-C311912-100                                                                                                                     |
| Hersteller               | LifeSpan Biosciences                                                                                                               |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ICC, IF, IHC, IHC-P, WB                                                                                                            |
| Spezies Reaktivität      | Human                                                                                                                              |
| Immunogen                | Recombinant protein encompassing a sequence within the N-terminus region of human SP3. The exact sequence is proprietary.          |
| Konjugation              | Unconjugated                                                                                                                       |
| Produktbeschreibung      | SP3 antibody LS-C311912 is an unconjugated rabbit polyclonal antibody to human SP3 (aa1-74). Validated for ICC, IF, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                         |
| Konzentration            | 0.2 mg/ml                                                                                                                          |
| NCBI                     | <a href="#">6670</a>                                                                                                               |

|                        |                                                                            |
|------------------------|----------------------------------------------------------------------------|
| Puffer                 | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                 |
| Reinheit               | Immunoaffinity purified                                                    |
| Formulierung           | 1X PBS, pH 7, 0.025% ProClin(TM) 300, 20% Glycerol, 1% BSA                 |
| Application Verdünnung | ICC (1:100 - 1:1000), IF (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB |
| Anwendungsbeschreibung | ICC (1:100 - 1:1000), IF (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB |
