| Alternativnummer         | LS-C332360-20                                                                                                                                                           |
| Hersteller               | LifeSpan Biosciences                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                              |
| Applikation              | IF, IHC, WB                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                       |
| Immunogen                | A synthetic peptide of human TRAF3                                                                                                                                      |
| Konjugation              | Unconjugated                                                                                                                                                            |
| Produktbeschreibung      | TRAF3 antibody LS-C332360 is an unconjugated rabbit polyclonal antibody to TRAF3 from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                              |
| NCBI                     | <a href="#">7187</a>                                                                                                                                                    |
| Puffer                   | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                                                                                                           |
| Reinheit                 | Affinity purified                                                                                                                                                       |

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                     |
| Application Verdünnung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:200 - 1:1000)                        |
| Anwendungsbeschreibung | The predicted MW is 55kDa/64kDa, while the observed MW by Western blot was 70kDa. |
