| Produktbeschreibung      | IMPDH2 antibody LS-C334000 is an unconjugated rabbit polyclonal antibody to IMPDH2 from human. It is reactive with human and mouse. Validated for IF, IHC and WB....                                                                                                    |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                              |
| NCBI                     | <a href="#">3615</a>                                                                                                                                                                                                                                                    |

|                        |                                                                             |
|------------------------|-----------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                               |
| Reinheit               | Affinity purified                                                           |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                               |
| Application Verdünnung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                  |
| Anwendungsbeschreibung | The predicted MW is 55kDa, while the observed MW by Western blot was 55kDa. |
