| Kategorie                | Antikörper                                                                                                                                                                                        |
| Applikation              | IF, IHC, WB                                                                                                                                                                                       |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                 |
| Immunogen                | Recombinant protein of human PSMD9                                                                                                                                                                |
| Konjugation              | Unconjugated                                                                                                                                                                                      |
| Produktbeschreibung      | 26S Proteasome antibody LS-C334007 is an unconjugated rabbit polyclonal antibody to 26S Proteasome (PSMD9) from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                                        |
| NCBI                     | <a href="#">5715</a>                                                                                                                                                                              |
| Puffer                   | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                                                                                                                                     |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Reinheit               | Affinity purified                                          |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol              |
| Application Verdünnung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000) |
| Anwendungsbeschreibung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000) |
