| Produktbeschreibung      | NRBF2 antibody LS-C334736 is an unconjugated rabbit polyclonal antibody to NRBF2 from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB....                                                                                               |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                            |
| NCBI                     | <a href="#">29982</a>                                                                                                                                                                                                                                                 |

|                        |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Reinheit               | Affinity purified                                                                       |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Application Verdünnung | IF (1:10 - 1:100), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                              |
| Anwendungsbeschreibung | The predicted MW is 26kDa/31kDa/32kDa, while the observed MW by Western blot was 38kDa. |
