| Spezies Reaktivität      | Human, Rat                                                                                                                                                                                               |
| Immunogen                | Recombinant protein of human RPL14                                                                                                                                                                       |
| Konjugation              | Unconjugated                                                                                                                                                                                             |
| Produktbeschreibung      | Ribosomal Protein L14 antibody LS-C334906 is an unconjugated rabbit polyclonal antibody to Ribosomal Protein L14 (RPL14) from human. It is reactive with human and rat. Validated for IF, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                                               |
| Konzentration            | 1.99 mg/ml                                                                                                                                                                                               |
| NCBI                     | <a href="#">9045</a>                                                                                                                                                                                     |

|                        |                                                            |
|------------------------|------------------------------------------------------------|
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol              |
| Reinheit               | Affinity purified                                          |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol              |
| Application Verdünnung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000) |
| Anwendungsbeschreibung | IF (1:50 - 1:200), IHC (1:50 - 1:200), WB (1:500 - 1:2000) |
