| Produktbeschreibung      | RDBP antibody LS-C346175 is an unconjugated rabbit polyclonal antibody to human RDBP (NELFE / RD). Validated for IF, IHC and WB....                                                                                                                                     |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                              |

|                        |                                                                                   |
|------------------------|-----------------------------------------------------------------------------------|
| NCBI                   | <a href="#">7936</a>                                                              |
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                     |
| Reinheit               | Affinity purified                                                                 |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                     |
| Application Verdünnung | IF (1:50 - 1:100), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                        |
| Anwendungsbeschreibung | The predicted MW is 40kDa/43kDa, while the observed MW by Western blot was 43kDa. |
