| Konjugation              | Unconjugated                                                                                                                                                                                                                                                        |
| Produktbeschreibung      | Collybistin antibody LS-C409509 is an unconjugated rabbit polyclonal antibody to Collybistin (ARHGEF9) from human. It is reactive with human, mouse and rat. Validated for IF, IHC and WB....                                                                       |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                          |

|                        |                                                                                         |
|------------------------|-----------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">23229</a>                                                                   |
| Puffer                 | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Reinheit               | Affinity purified                                                                       |
| Formulierung           | PBS, pH 7.3, 0.02% Sodium Azide, 50% Glycerol                                           |
| Application Verdünnung | IF (1:50 - 1:100), IHC (1:50 - 1:200), WB (1:500 - 1:2000)                              |
| Anwendungsbeschreibung | The predicted MW is 49kDa/54kDa/60kDa, while the observed MW by Western blot was 61kDa. |
