| Hersteller               | LifeSpan Biosciences                                                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                                                                            |
| Applikation              | ELISA, IF, IHC, IHC-P, WB                                                                                                                                                                                                             |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                     |
| Immunogen                | A 15 AA peptide near the C-Terminus of human GABARAPL2. The immunogen is located within the last 50 AA of GABARAPL2.                                                                                                                  |
| Konjugation              | Unconjugated                                                                                                                                                                                                                          |
| Produktbeschreibung      | ATG8 antibody LS-B12152 is an unconjugated rabbit polyclonal antibody to ATG8 (GABARAPL2) from human. It is reactive with human, mouse and rat. Validated for ELISA, IF, IHC and WB. Tested on 20 paraffin-embedded human tissues.... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                            |
| Konzentration            | 1 mg/ml                                                                                                                                                                                                                               |

|                        |                                                                                                                                                                                                                                                                |

| NCBI                   | <a href="#">11345</a>                                                                                                                                                                                                                                          |
| Puffer                 | PBS containing 0.02% Sodium Azide                                                                                                                                                                                                                              |
| Reinheit               | Peptide Column Affinity Chromatography                                                                                                                                                                                                                         |
| Formulierung           | PBS containing 0.02% Sodium Azide                                                                                                                                                                                                                              |
| Application Verdünnung | ELISA, IF (20 µg/ml), IHC, IHC-P (10 µg/ml), WB (1 - 2 µg/ml)                                                                                                                                                                                                  |
| Anwendungsbeschreibung | GABARAPL2 antibody can be used for detection of GABARAPL2 by Western blot at 1 - 2 ug/ml. Antibody can also be used for Immunohistochemistry at 5 ug/mL. For Immunoflorescence start at 20 ug/mL. Antibody validated: Western Blot in human samples, Immunohis |
