| Hersteller               | LifeSpan Biosciences                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                |
| Immunogen                | A 19 AA synthetic peptide near the N-Terminus of human PLAGL2. The immunogen is located within aa 40-90 of PLAGL2.                                                               |
| Konjugation              | Unconjugated                                                                                                                                                                     |
| Produktbeschreibung      | PLAGL2 antibody LS-C153660 is an unconjugated rabbit polyclonal antibody to PLAGL2 from human. It is reactive with human, mouse and rat. Validated for ELISA, IF, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                                                                       |
| Konzentration            | 1 mg/ml                                                                                                                                                                          |
| NCBI                     | <a href="#">5326</a>                                                                                                                                                             |

|                        |                                                                                                                                                                                                                                                                |
