## Product Datasheet

### **Polyclonal Rabbit anti-Human DLST / E2 Antibody (aa188-453, IHC, WB) LS-C186274** **LS-C186274-100**

|                          |                                                                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Polyclonal Rabbit anti-Human DLST / E2 Antibody (aa188-453, IHC, WB) LS-C186274                                                        |
| Artikelnummer            | LS-C186274-100                                                                                                                         |
| Hersteller Artikelnummer | LS-C186274-100                                                                                                                         |
| Alternativnummer         | LS-C186274-100                                                                                                                         |
| Hersteller               | LifeSpan Biosciences                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                 |
| Kategorie                | Antikörper                                                                                                                             |
| Applikation              | ICC, IHC, IHC-P, WB                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                  |
| Immunogen                | Recombinant protein encompassing a sequence within the center region of human DLST. The exact sequence is proprietary.                 |
| Konjugation              | Unconjugated                                                                                                                           |
| Produktbeschreibung      | E2 antibody LS-C186274 is an unconjugated rabbit polyclonal antibody to human E2 (DLST) (aa188-453). Validated for ICC, IHC and WB.... |
| Klonalität               | Polyclonal                                                                                                                             |
| Konzentration            | 0.7 mg/ml                                                                                                                              |
| NCBI                     | <a href="#">1743</a>                                                                                                                   |

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Reinheit               | Immunoaffinity purified                                                                                                   |
| Formulierung           | 0.1 M Tris, pH 7, 0.1 M Glycine, 10% Glycerol, 0.01% Thimerosal                                                           |
| Application Verdünnung | ICC (1:100 - 1:1000), IHC, IHC-P (1:100 - 1:1000), WB (1:500 - 1:3000)                                                    |
| Anwendungsbeschreibung | IHC-paraffin: Suggested antigen retrieval using heat mediated 10 mM Citrate buffer (pH 6.0) or Tris-EDTA buffer (pH 8.0). |
