Monoclonal Mouse Phosphotyrosine Antibody (WB) LS-C74932 LS-C74932-100

Artikelname	Monoclonal Mouse Phosphotyrosine Antibody (WB) LS-C74932
Artikelnummer	LS-C74932-100
Hersteller Artikelnummer	LS-C74932-100
Alternativnummer	LS-C74932-100
Hersteller	LifeSpan Biosciences
Wirt	Mouse
Kategorie	Antikörper
Applikation	ELISA, WB
Spezies Reaktivität	Mouse
Immunogen	Phosphotyrosine conjugated to KLH.
Konjugation	Unconjugated
Produktbeschreibung	Phosphotyrosine antibody LS-C74932 is an unconjugated mouse monoclonal antibody to mouse Phosphotyrosine. Validated for ELISA and WB....
Klonalität	Monoclonal
Puffer	0.02% sodium azide. No stabilizers or preservatives added. No stabilizing proteins added.
Reinheit	Ascites

Formulierung	0.02% sodium azide. No stabilizers or preservatives added. No stabilizing proteins added.
Application Verdünnung	ELISA (1:2000 - 1:10000), WB (1:1000)
Anwendungsbeschreibung	Suitable for use in ELISA and Western Blot. ELISA: 1:2000-1:10000. Use HRP at anti mouse IgG for detection. Western Blot: 1:1000, anti-phosphotyrosine is used at room temperature for 60 min followed by detection using IRDye800 Conjugated Goat-anti-Mouse
