| Artikelname              | Monoclonal Mouse anti-Human SNAP25 Antibody (clone OTI1D3, Carrier-free, IHC, IF, WB) LS-C785988                                |
| Artikelnummer            | LS-C785988-100                                                                                                                  |
| Hersteller Artikelnummer | LS-C785988-100                                                                                                                  |
| Alternativnummer         | LS-C785988-100                                                                                                                  |
| Hersteller               | LifeSpan Biosciences                                                                                                            |
| Wirt                     | Mouse                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                      |
| Applikation              | FC, IF, IHC, WB                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                           |
| Immunogen                | Full length human recombinant protein of human SNAP25 (NP_003072) produced in HEK293T cell.                                     |
| Konjugation              | Unconjugated                                                                                                                    |
| Produktbeschreibung      | SNAP25 antibody LS-C785988 is an unconjugated mouse monoclonal antibody to human SNAP25. Validated for Flow, IF, IHC and WB.... |
| Klonalität               | Monoclonal                                                                                                                      |
| Klon-Bezeichnung         | [OTI1D3]                                                                                                                        |
| Isotyp                   | IgG2a                                                                                                                           |

|                        |                                                   |
|------------------------|---------------------------------------------------|
| NCBI                   | <a href="#">6616</a>                              |
| Puffer                 | PBS, pH 7.3, 8% Trehalose                         |
| Reinheit               | Purified from ascites.                            |
| Formulierung           | PBS, pH 7.3, 8% Trehalose                         |
| Application Verdünnung | Flo (1:100), IF (1:100), IHC (1:150), WB (1:2000) |
| Anwendungsbeschreibung | Applications should be user optimized.            |
