| Alternativnummer         | LS-C799261-100                                                                                                                                                     |
| Hersteller               | LifeSpan Biosciences                                                                                                                                               |
| Wirt                     | Mouse                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | IF, WB                                                                                                                                                             |
| Spezies Reaktivität      | Canine, Human, Monkey                                                                                                                                              |
| Immunogen                | Full length human recombinant protein of human STAT1 (NP_009330) produced in HEK293T cell.                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                       |
| Produktbeschreibung      | STAT1 antibody LS-C799261 is an unconjugated mouse monoclonal antibody to STAT1 from human. It is reactive with human, dog and monkey. Validated for IF and WB.... |
| Klonalität               | Monoclonal                                                                                                                                                         |
| Klon-Bezeichnung         | [4H9]                                                                                                                                                              |
| Isotyp                   | IgG1                                                                                                                                                               |

|                        |                                         |
|------------------------|-----------------------------------------|
| NCBI                   | <a href="#">6772</a>                    |
| Puffer                 | PBS, pH 7.3, 8% Trehalose               |
| Reinheit               | Purified from ascites.                  |
| Formulierung           | PBS, pH 7.3, 8% Trehalose               |
| Application Verdünnung | IF (1:50 - 1:100), WB (1:1000 - 1:2000) |
| Anwendungsbeschreibung | Applications should be user optimized.  |
