| Wirt                     | Mouse                                                                                                                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                    |
| Applikation              | IHC                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Immunogen                | Recombinant fragment (around aa1-200) of human CASP7 protein (exact sequence is proprietary)                                                                                                                                                                  |
| Produktbeschreibung      | A unique family of Cysteine proteases has been described that differs in sequence, structure and substrate specificity from any previously described protease family. This family, CED-3/caspase-1, is comprised of caspase-1, caspase-2, caspase-3, caspa... |
| Klonalität               | Monoclonal                                                                                                                                                                                                                                                    |
| Klon-Bezeichnung         | [CASP7/9054]                                                                                                                                                                                                                                                  |
| Molekulargewicht         | 28-34kDa                                                                                                                                                                                                                                                      |

|              |                                                                                                                                                                        |
