### DR6 Recombinant Protein PRS-90-226

|                          |                                                                                                                                                        |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | DR6 Recombinant Protein                                                                                                                                |
| Artikelnummer            | PRS-90-226                                                                                                                                             |
| Hersteller Artikelnummer | 90-226                                                                                                                                                 |
| Alternativnummer         | PRS-90-226-50                                                                                                                                          |
| Hersteller               | ProSci                                                                                                                                                 |
| Kategorie                | Proteine/Peptide                                                                                                                                       |
| Konzentration            | 1mg/ml after reconstitution.                                                                                                                           |
| NCBI                     | <a href="#">27242</a>                                                                                                                                  |
| UniProt                  | <a href="#">Q9Y275</a>                                                                                                                                 |
| Puffer                   | Contains PBS. Reconstitute with 50 µl sterile water. Further dilutions should be made with medium containing 5% fetal calf serum or a carrier protein. |
| Quelle                   | HEK293 cells                                                                                                                                           |
| Reinheit                 | >95% (SDS-PAGE). Endotoxin level is less than 0.1EU/ µg purified protein (LAL test, Lonza).                                                            |
| Formulierung             | Lyophilized                                                                                                                                            |
| Anwendungsbeschreibung   | This recombinant proteins is for research use only.                                                                                                    |
