### MGAT2 Recombinant Protein PRS-91-651

|                          |                                                                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | MGAT2 Recombinant Protein                                                                                                                                |
| Artikelnummer            | PRS-91-651                                                                                                                                               |
| Hersteller Artikelnummer | 91-651                                                                                                                                                   |
| Alternativnummer         | PRS-91-651-0.05                                                                                                                                          |
| Hersteller               | ProSci                                                                                                                                                   |
| Kategorie                | Proteine/Peptide                                                                                                                                         |
| Molekulargewicht         | 49.3 kD                                                                                                                                                  |
| NCBI                     | <a href="#">4247</a>                                                                                                                                     |
| UniProt                  | <a href="#">Q10469</a>                                                                                                                                   |
| Puffer                   | Supplied as a 0.2 um filtered solution of 20mM TrisHCl,150mM NaCl, pH8.0 . It is not recommended to reconstitute to a concentration less than 100 ug/ml. |
| Quelle                   | Human Cells                                                                                                                                              |
| Reinheit                 | Greater than 95% as determined by reducing SDS-PAGE.<br />Endotoxin level less than 0.1 ng/ug (1 IEU/ug) as determined by LAL test.                      |
| Formulierung             | Liquid                                                                                                                                                   |
| Anwendungsbeschreibung   | This recombinant protein can be used for biological assays. For research use only.                                                                       |
