### CD152 Antibody [9H10], Unconjugated, Hamster, Monoclonal PRS-98-911

|                          |                                                                                                     |
|--------------------------|-----------------------------------------------------------------------------------------------------|
| Artikelname              | CD152 Antibody [9H10], Unconjugated, Hamster, Monoclonal                                            |
| Artikelnummer            | PRS-98-911                                                                                          |
| Hersteller Artikelnummer | 98-911                                                                                              |
| Alternativnummer         | PRS-98-911-0.5                                                                                      |
| Hersteller               | ProSci                                                                                              |
| Wirt                     | Hamster                                                                                             |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | Cell Separation, FC, ICC, IHC-Fr                                                                    |
| Spezies Reaktivität      | Mouse                                                                                               |
| Immunogen                | Heat-killed Staphylococcus A bacteria coated with mouse CTLA-4/human IgG1 fusion protein            |
| Konjugation              | Unconjugated                                                                                        |
| Klonalität               | Monoclonal                                                                                          |
| Konzentration            | 0.5 mg/mL                                                                                           |
| Klon-Bezeichnung         | [9H10]                                                                                              |
| NCBI                     | <a href="#">12477</a>                                                                               |
| UniProt                  | <a href="#">P09793</a>                                                                              |
| Puffer                   | Supplied in borate buffered saline, pH 8.2, No preservatives or amine-containing buffer salts added |

|                        |                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                      |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                  |
| Anwendungsbeschreibung | CD152 Antibody [9H10] for use in flow cytometry, ELISA, blocking, and costimulation assays. |
