| Artikelname              | RLA-DQ Antibody [2C4], IgG2a, Unconjugated, Mouse, Monoclonal                                       |
| Artikelnummer            | PRS-99-124                                                                                          |
| Hersteller Artikelnummer | 99-124                                                                                              |
| Alternativnummer         | PRS-99-124-0.5                                                                                      |
| Hersteller               | ProSci                                                                                              |
| Wirt                     | Mouse                                                                                               |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | FC, FLISA                                                                                           |
| Spezies Reaktivität      | Rabbit                                                                                              |
| Immunogen                | Rabbit spleen cells                                                                                 |
| Konjugation              | Unconjugated                                                                                        |
| Klonalität               | Monoclonal                                                                                          |
| Konzentration            | 0.5 mg/mL                                                                                           |
| Klon-Bezeichnung         | [2C4]                                                                                               |
| Isotyp                   | IgG2a                                                                                               |
| Puffer                   | Supplied in borate buffered saline, pH 8.2, No preservatives or amine-containing buffer salts added |
| Formulierung             | Liquid                                                                                              |

|                        |                                                                                                                                                                 |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                                                                                      |
| Anwendungsbeschreibung | RLA-DQ Antibody [2C4] for use in flow cytometry, immunohistochemistry / immunocytochemistry, western blotting, immunoprecipitation, ELISA, and blocking assays. |
