| Wirt                     | Mouse                                                                                               |
| Kategorie                | Antikörper                                                                                          |
| Applikation              | FC                                                                                                  |
| Spezies Reaktivität      | Porcine                                                                                             |
| Immunogen                | Fresh dd miniature swine thymocytes                                                                 |
| Konjugation              | Unconjugated                                                                                        |
| Klonalität               | Monoclonal                                                                                          |
| Konzentration            | 0.5 mg/mL                                                                                           |
| Klon-Bezeichnung         | [74-12-4]                                                                                           |
| Isotyp                   | IgG2b                                                                                               |
| NCBI                     | <a href="#">404704</a>                                                                              |
| Puffer                   | Supplied in borate buffered saline, pH 8.2, No preservatives or amine-containing buffer salts added |

|                        |                                                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                                                                    |
| Application Verdünnung | Optimal dilutions for each application to be determined by the researcher.                                                                                |
| Anwendungsbeschreibung | CD4 Antibody [74-12-4] for use in flow cytometry, immunohistochemistry / immunocytochemistry, immunoprecipitation, separation, blocking, and CMCD assays. |
