| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Phospho-Vimentin (Ser56) Colorimetric Cell-Based ELISA Kit for detecting Phospho-Vimentin (Ser56) in researchers plate their cell line of choice. Species Reactivity: Human (Homo sapiens). Detection Range: Qualitative. Sensitivity: At least 5000 cells... |
| Detektionsbereich        | Qualitative                                                                                                                                                                                                                                                   |
| Sensitivitaet            | At least 5000 cells/well                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">7431</a>                                                                                                                                                                                                                                          |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Researchers plate their cell line of choice                                                                                                                                                                                                                   |
| Target-Kategorie         | Phospho-Vimentin (Ser56)                                                                                                                                                                                                                                      |
