| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Human Matrix Gla Protein (MGP) ELISA Kit for detecting MGP in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 0.625-40ng/ml. Sensitivity: 0.... |
| Detektionsbereich        | 0.625-40ng/ml                                                                                                                                                                                                                                                 |
| Sensitivitaet            | 0.254ng/ml                                                                                                                                                                                                                                                    |
| NCBI                     | <a href="#">4256</a>                                                                                                                                                                                                                                          |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target-Kategorie         | Matrix Gla Protein (MGP)                                                                                                                                                                                                                                      |
