| Produktbeschreibung      | Mouse Interleukin 15 (IL15) ELISA Kit for detecting IL15 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Mouse (Mus musculus). Detection Range: 15.6-1,000pg/ml. Sensitivity: 5.... |
| Detektionsbereich        | 15.6-1,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivitaet            | 5.9pg/ml                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">16168</a>                                                                                                                                                                                                                                         |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target-Kategorie         | Interleukin 15 (IL15)                                                                                                                                                                                                                                         |
