| Kategorie                | Kits/Assays                                                                                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                         |
| Produktbeschreibung      | Human Interleukin 26 (IL26) CLIA Kit for detecting IL26 in serum, plasma, tissue homogenates, cell lysates, cell culture supernates, other biological fluids. Species Reactivity: Human (Homo sapiens). Detection Range: 1.37-1,000pg/ml. Sensitivity: 0.5... |
| Detektionsbereich        | 1.37-1,000pg/ml                                                                                                                                                                                                                                               |
| Sensitivitaet            | 0.55pg/ml                                                                                                                                                                                                                                                     |
| NCBI                     | <a href="#">55801</a>                                                                                                                                                                                                                                         |
| Formulierung             | 96-Well Plate                                                                                                                                                                                                                                                 |
| Proben                   | Serum, Plasma, Tissue Homogenates, Cell Lysates, Cell Culture Supernates, Other Biological Fluids                                                                                                                                                             |
| Target-Kategorie         | Interleukin 26 (IL26)                                                                                                                                                                                                                                         |
