## Product Datasheet

### **Anti-SLC9A7 (NHE7) (Human) pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-BMP043**

|                          |                                                                           |
|--------------------------|---------------------------------------------------------------------------|
| Artikelname              | Anti-SLC9A7 (NHE7) (Human) pAb, Clone: [Polyclonal], Unconjugated, Rabbit |
| Artikelnummer            | MBL-BMP043                                                                |
| Hersteller Artikelnummer | BMP043                                                                    |
| Alternativnummer         | MBL-BMP043                                                                |
| Hersteller               | MBL                                                                       |
| Wirt                     | Rabbit                                                                    |
| Kategorie                | Antikörper                                                                |
| Applikation              | FC, IH, WB                                                                |
| Spezies Reaktivität      | Human                                                                     |
| Immunogen                | Human SLC9A7-derived synthetic peptide                                    |
| Konjugation              | Unconjugated                                                              |
| Produktbeschreibung      | Anti-SLC9A7 (NHE7) (Human) pAb, Rabbit, Polyclonal...                     |
| Klonalität               | Polyclonal                                                                |
| Klon-Bezeichnung         | [Polyclonal]                                                              |
| Isotyp                   | IgG                                                                       |
| NCBI                     | <a href="#">84679</a>                                                     |
| Puffer                   | PBS/50% glycerol, pH 7.2                                                  |

|                        |                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody was affinity purified from rabbit serum. The rabbit was immunized with a synthetic peptide derived from human SLC9A7. |
| Target-Kategorie       | SLC9A7                                                                                                                              |
| Application Verdünnung | WB: 1:1000 (chemiluminescence detection system). FCM: 1:1000. ICC: 1:1000. IHC: 1:1000 (Heat treatment required for paraffin)       |
