## Product Datasheet

### Anti-RFP mAb, Clone: [3G5], Unconjugated, Mouse, Monoclonal MBL-M165-3

|                          |                                                             |
|--------------------------|-------------------------------------------------------------|
| Artikelname              | Anti-RFP mAb, Clone: [3G5], Unconjugated, Mouse, Monoclonal |
| Artikelnummer            | MBL-M165-3                                                  |
| Hersteller Artikelnummer | M165-3                                                      |
| Alternativnummer         | MBL-M165-3                                                  |
| Hersteller               | MBL                                                         |
| Wirt                     | Mouse                                                       |
| Kategorie                | Antikörper                                                  |
| Applikation              | FC, IH, IP                                                  |
| Immunogen                | RFP                                                         |
| Konjugation              | Unconjugated                                                |
| Produktbeschreibung      | Anti-RFP mAb, Clone: [3G5], Mouse, Monoclonal...            |
| Klonalität               | Monoclonal                                                  |
| Konzentration            | 1 mg/mL                                                     |
| Klon-Bezeichnung         | [3G5]                                                       |
| Isotyp                   | IgG1 kappa                                                  |
| NCBI                     | <a href="#">5987</a>                                        |
| Puffer                   | 1 mg/mL in PBS/50% glycerol, pH 7.2                         |

|                        |                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody was purified from hybridoma (clone 3G5) supernatant using protein A agarose. This hybridoma was established by fusion of mouse myeloma cell P3U1 with C3H mouse lymphocyte immunized with RFP. |
| Target-Kategorie       | RFP                                                                                                                                                                                                          |
| Application Verdünnung | IP: 5 µg/sample                                                                                                                                                                                              |
