## Product Datasheet

### Anti-KLF4 pAb, Clone: [Polyclonal], Unconjugated, Rabbit MBL-PM057

|                          |                                                          |
|--------------------------|----------------------------------------------------------|
| Artikelname              | Anti-KLF4 pAb, Clone: [Polyclonal], Unconjugated, Rabbit |
| Artikelnummer            | MBL-PM057                                                |
| Hersteller Artikelnummer | PM057                                                    |
| Alternativnummer         | MBL-PM057                                                |
| Hersteller               | MBL                                                      |
| Wirt                     | Rabbit                                                   |
| Kategorie                | Antikörper                                               |
| Applikation              | IP, WB                                                   |
| Spezies Reaktivität      | Human, Mouse                                             |
| Immunogen                | Human KLF4full length Recombinant                        |
| Konjugation              | Unconjugated                                             |
| Produktbeschreibung      | Anti-KLF4 (Human) pAb, Rabbit, Polyclonal...             |
| Klonalität               | Polyclonal                                               |
| Klon-Bezeichnung         | [Polyclonal]                                             |
| Isotyp                   | Ig                                                       |
| NCBI                     | <a href="#">9314</a>                                     |
| Puffer                   | PBS/50% glycerol, pH 7.2                                 |

|                        |                                                                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Quelle                 | This antibody was purified from rabbit serum using affinity column. The rabbit was immunized with the recombinant full length of human KLF4. |
| Target-Kategorie       | KLF4                                                                                                                                         |
| Application Verdünnung | WB: 1:1000 (chemiluminescence detection system). IP: 2µL/300 µL of cell extract from 3 x 10 <sup>6</sup> cells. ICC: 1:200                   |
