| Hersteller               | ABclonal                                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                                              |
| Applikation              | ELISA, WB                                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                                   |
| Immunogen                | Recombinant protein (or fragment). This information is considered to be commercially sensitive.                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                            |
| Produktbeschreibung      | The protein encoded by this gene is a centriolar protein involved in primary cilium assembly. Defects in this gene have been associated with infantile nephronophthisis and intellectual disability.... |
| Klonalität               | Polyclonal                                                                                                                                                                                              |
| Molekulargewicht         | 83kDa                                                                                                                                                                                                   |
| NCBI                     | <a href="#">51134</a>                                                                                                                                                                                   |

|                        |                                                                                                                                                                                                                                                    |
