| Hersteller               | ABclonal                                                                                                                                                                                |
| Wirt                     | Rabbit                                                                                                                                                                                  |
| Kategorie                | Antikörper                                                                                                                                                                              |
| Applikation              | ELISA, WB                                                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                                                   |
| Immunogen                | Recombinant protein (or fragment).This information is considered to be commercially sensitive.                                                                                          |
| Konjugation              | Unconjugated                                                                                                                                                                            |
| Produktbeschreibung      | This gene encodes a protein that shares high sequence similarity with ribosomal protein L26. Alternative splicing results in multiple transcript variants encoding the same protein.... |
| Klonalität               | Polyclonal                                                                                                                                                                              |
| Molekulargewicht         | 17kDa                                                                                                                                                                                   |
| NCBI                     | <a href="#">51121</a>                                                                                                                                                                   |

|                        |                                                                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| UniProt                | <a href="#">Q9UNX3</a>                                                                                                                                     |
| Reinheit               | Affinity purification                                                                                                                                      |
