| Kategorie                | Kits/Assays                                                                                                                                                                                               |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                     |
| Immunogen                | Serum, plasma, cell culture supernatant, and other biological fluids.                                                                                                                                     |
| Konjugation              | Biotin                                                                                                                                                                                                    |
| Produktbeschreibung      | The ELISA (Enzyme-Linked Immunosorbent Assay) kit is an in vitro enzyme-linked immunosorbent assay for the quantitative measurement of samples in serum,plasma,cell Lysis and other biological fluids.... |
| Konzentration            | 24.15 pg/mL                                                                                                                                                                                               |
| Molekulargewicht         | 4 hours                                                                                                                                                                                                   |
| Detektionsbereich        | 62.5-4000 pg/mL                                                                                                                                                                                           |
| Sensitivitaet            | 24.15 pg/mL                                                                                                                                                                                               |
| NCBI                     | <a href="#">15945</a>                                                                                                                                                                                     |
| UniProt                  | <a href="#">P17515</a>                                                                                                                                                                                    |

|                        |                                                                       |
|------------------------|-----------------------------------------------------------------------|
| Reinheit               | Sandwich ELISA                                                        |
| Proben                 | Serum, plasma, cell culture supernatant, and other biological fluids. |
| Target-Kategorie       | CXCL10                                                                |
| Application Verdünnung | 100 ul                                                                |
| Anwendungsbeschreibung | Shipping: Ice Bag                                                     |
