## Product Datasheet

### **PRDX4 recombinant monoclonal antibody, clone SAIC-40C-8, Clone: [SAIC-40C-8], Unconjugated, Monoclonal ABN-RAB03767**

|                          |                                                                                                          |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| Artikelname              | PRDX4 recombinant monoclonal antibody, clone SAIC-40C-8, Clone: [SAIC-40C-8], Unconjugated, Monoclonal   |
| Artikelnummer            | ABN-RAB03767                                                                                             |
| Hersteller Artikelnummer | RAB03767                                                                                                 |
| Alternativnummer         | ABN-RAB03767-200                                                                                         |
| Hersteller               | Abnova                                                                                                   |
| Kategorie                | Antikörper                                                                                               |
| Applikation              | ELISA, FC, IF, WB                                                                                        |
| Spezies Reaktivität      | Human                                                                                                    |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human PRDX4                     |
| Konjugation              | Unconjugated                                                                                             |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against synthetic peptide corresponding to human PRDX4.... |
| Klonalität               | Monoclonal                                                                                               |
| Konzentration            | batch dependent                                                                                          |
| Klon-Bezeichnung         | [SAIC-40C-8]                                                                                             |
| UniProt                  | 10549                                                                                                    |

|                        |                                                                                                                                                  |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Puffer                 | Lyophilized from PBS with 0.02% Proclin 300                                                                                                      |
| Formulierung           | Liquid                                                                                                                                           |
| Sequenz                | LVQAFQYTDK                                                                                                                                       |
| Target-Kategorie       | PRDX4                                                                                                                                            |
| Application Verdünnung | ELISA<br>Flow cytometry<br>Immunofluorescence<br>ImmunoMRM<br>Western Blot<br>The optimal working dilution should be determined by the end user. |
