| Alternativnummer         | ABN-RAB04090-100                                                                                  |
| Hersteller               | Abnova                                                                                            |
| Kategorie                | Antikörper                                                                                        |
| Applikation              | ELISA, FC, WB                                                                                     |
| Spezies Reaktivität      | Human                                                                                             |
| Immunogen                | Original antibody is raised against recombinant protein corresponding to full length human BUB1B. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human BUB1B....                             |
| Klonalität               | Monoclonal                                                                                        |
| Klon-Bezeichnung         | [7H4]                                                                                             |
| UniProt                  | 701                                                                                               |
| Puffer                   | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                   |
| Formulierung             | Liquid                                                                                            |

|                        |                                                                                                                                           |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | BUB1B                                                                                                                                     |
| Application Verdünnung | ELISA<br>Flow Cytometry (1:20-1:200)<br>Western Blot (1:500-1:5000)<br>The optimal working dilution should be determined by the end user. |
