## Product Datasheet

### COMT recombinant monoclonal antibody, clone 8E1, Monoclonal ABN-RAB07474

|                          |                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------|
| Artikelname              | COMT recombinant monoclonal antibody, clone 8E1, Monoclonal                          |
| Artikelnummer            | ABN-RAB07474                                                                         |
| Hersteller Artikelnummer | RAB07474                                                                             |
| Alternativnummer         | ABN-RAB07474-100                                                                     |
| Hersteller               | Abnova                                                                               |
| Kategorie                | Antikörper                                                                           |
| Applikation              | ELISA, IHC-P, WB                                                                     |
| Spezies Reaktivität      | Human                                                                                |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human COMT. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human COMT....                 |
| Klonalität               | Monoclonal                                                                           |
| UniProt                  | 1312                                                                                 |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                     |
| Formulierung             | Liquid                                                                               |
| Target-Kategorie         | COMT                                                                                 |

|                        |                                                                                                                                     |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| Application Verdünnung | ELISAImmunohistochemistry (1:50-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
