## Product Datasheet

### **PNPLA2 recombinant monoclonal antibody, clone 1H6, Clone: [1H6], Monoclonal ABN-RAB07775**

|                          |                                                                                        |
|--------------------------|----------------------------------------------------------------------------------------|
| Artikelname              | PNPLA2 recombinant monoclonal antibody, clone 1H6, Clone: [1H6], Monoclonal            |
| Artikelnummer            | ABN-RAB07775                                                                           |
| Hersteller Artikelnummer | RAB07775                                                                               |
| Alternativnummer         | ABN-RAB07775-100                                                                       |
| Hersteller               | Abnova                                                                                 |
| Kategorie                | Antikörper                                                                             |
| Applikation              | ELISA, FC                                                                              |
| Spezies Reaktivität      | Human                                                                                  |
| Immunogen                | Original antibody is raised against a synthetic peptide corresponding to human PNPLA2. |
| Produktbeschreibung      | Rabbit recombinant monoclonal antibody raised against human PNPLA2....                 |
| Klonalität               | Monoclonal                                                                             |
| Klon-Bezeichnung         | [1H6]                                                                                  |
| UniProt                  | 57104                                                                                  |
| Puffer                   | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                       |
| Formulierung             | Liquid                                                                                 |

|                        |                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------|
| Target-Kategorie       | PNPLA2                                                                                            |
| Application Verdünnung | ELISAFlow Cytometry(1:50-1:200)The optimal working dilution should be determined by the end user. |
